

Mortgage Leads on Demand

KALEIDICO, A MORTGAGE LEAD GENERATION AGENCY

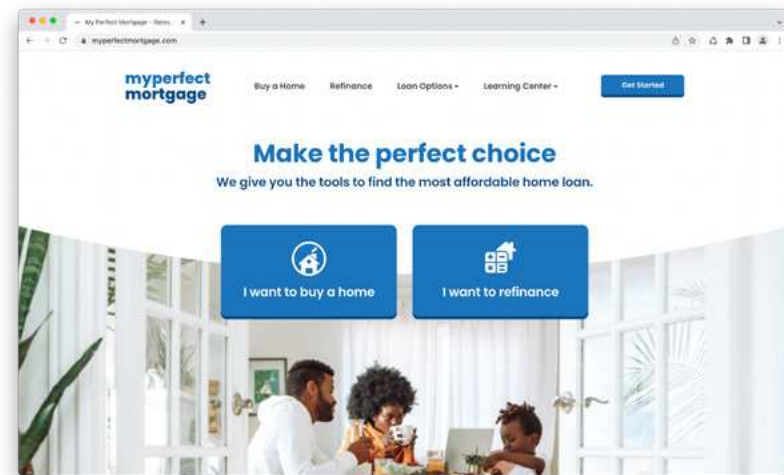

The fastest way to close more loans in even the most challenging mortgage market.

Kaleidico generates various mortgage lead types, from the most common loan programs to niche special-purpose mortgages.

All leads are generated on [MyPerfectMortgage.com](https://myperfectmortgage.com), delivering an exceptional user experience and highly personalized, exclusive hand-off to your company - directly posting into your CRM or lead management system.

Just a few of the benefits of Kaleidico's mortgage leads

- All leads are exclusive to your company
- All leads are generated on a premium, content-rich domain
- All leads are generated via Google Ads, SEO, and content marketing only
- All leads are posted directly to your CRM/lead management system
- All phone leads are connected directly to your inbound call center
- No social media (Facebook, Instagram, TikTok), or affiliate traffic leads
- No leads are shared or sold to multiple lenders - we don't make lenders compete

How buying leads from Kaleidico works

We try to make getting leads to your sales team fast and straightforward.

1. Set your preferences for lead type(s) and geo-targeting
2. Authorize your budget and start your campaign(s) by completing the advertising insertion order and credit card authorization
3. Test CRM/lead management and call routing integrations
4. Turn on lead flow
5. Fresh lead arrive in your sales queue within 24-48 hours

Can You Generate Leads on My Website?

Absolutely!

Our [mortgage lead generation agency](#) can use the same strategies to generate mortgage leads under your brand and create a lead-generating web platform that becomes an owned asset of your mortgage company - generating value indefinitely.
